

RECORDS RETENTION AND DISPOSITION SCHEDULE

Health, Department of. Immunization.

Agen	cy: Immunizat	ion Division:	
ITEM	RECORD	TITLE/DESCRIPTION	RETENTION PERIOD
NO.	SERIES	(This Retention Schedule is approved on a space-available basis)	
1	2000-18	VACCINE FOR CHILDREN PROGRAM-PAPER RECORDS	TRANSFER paper records to the RECORDS
		A typical file includes Vaccine Accountability Tally Sheet,	CENTER one (1) year after the end of the
		Public, State Form Number 49866. A health provider submits	calendar year. TRANSFER paper records to
		monthly by the 10th of the month for vaccines administered	the INDIANA ARCHIVES, for EVALUATION,
		during the previous month. This form is used to collect	SAMPLING or WEEDING pursuant to archival
		vaccine accountability information required by the federal	principles; after an additional four (4)
		Vaccines for Children Programs and the state CHIRP Program.	calendar years in the RECORDS CENTER. TOTAL
		All data from the paper forms is entered into a computer	RETENTION of paper records prior to INDIANA
		with software for the program provided by the federal	ARCHIVES TRANSFER: Five (5) years after the
		Centers for Disease Control and Prevention and printed	end of the calendar year. DELETE electronic
		reports can be generated as needed. Any daily modifications	records five (5) years after the end of the
		are backed-up weekly and the entire system is re-copied at	calendar year.
		the end of each calendar year. Statistics and extensive	
		demographic information is present and a patient name is	
		optional. Fiscal information pertinent to the grant is	
		located in the Division of Finance of the State Department	
		of Health. Disclosure of these records may be subject to IC	
		16-41-8-1, (2004 Edition to 2009 Indiana General Assembly)	
		Retention consistent with 410 IAC 16.2-3.1-50, (March 24,	
		2010 Update)	
2	2000-21	SCHOOL PROGRAM	DESTROY paper records twelve (12) months
		Pursuant to IC 20-34-3-1 thru IC 20-34-3-20, 2006	after the end of the last reporting year
		Supplement to 2009 Indiana General Assembly; Indiana	and after verification of data entry.
		schools, including kindergartens and pre-kindergartens, are	DELETE electronic records ten (10) years
		required to report their annual immunization status. This	after the end of the last reporting year.
		reporting is done via State Department of Health State Form	
		Numbers 22363, 44455, 48971, 48972 and 48973. These	
		statistical reports are due by November 1st of each year.	
		All information is entered into the Division's computer	
		database by the school name or by city or town. Statistics	
		only are reported and no students are personally identified. No financial data is contained with these	
		records. A copy of the annual financial status report	
		submitted to the federal Centers for Disease Control and	
		Prevention is maintained in the Finance Division of the	
		State Department of Health. Retention partially based on IC	
		20-34-4-5 and IC 20-34-4-6, (2006 Supplement to 2009	
		Indiana General Assembly) and consistent with IC 34-13-1-1,	
		(2004 Edition)	
		(2001 EQICION)	

3	2000-22	CASA (CLINIC ASSESSMENT SOFTWARE APPLICATION)	TRANSFER paper records to the RECORDS
		This primarily-electronic record reports the percentages of	CENTER twelve (12) calendar months after
		clients immunized by a county heath department and the	the end of the last reporting year and
		client name(s). Reports showing various age levels of	after receipt of STATE BOARD OF ACCOUNTS
		immunized clients and other statistics can be printed as	Audit Report and satisfaction of unsettled
		needed. The software enables this Program to maintain	charges and after submission of the annual
		client identification confidentially. Disclosure of these	financial status report to the federal
		records may be subject to IC 16-41-8-1, (2004 Edition to	CENTERS FOR DISEASE CONTROL AND PREVENTION.
		2009 Indiana General Assembly] Retention partially based on	DESTROY paper records after an additional
		IC 34-13-1-1, (2004 Edition)	three (3) years in the RECORDS CENTER.
			TOTAL RETENTION of paper records: Four (4)
			calendar years after the end of the last
			reporting year and after receipt of STATE
			BOARD OF ACCOUNTS Audit Report and
			satisfaction of unsettled charges and after
			submission of the annual financial status
			report to the federal CENTERS FOR DISEASE
			CONTROL AND PREVENTION. DELETE electronic
			records ten (10) calendar years after the
			end of the last reporting year and after
			receipt of STATE BOARD OF ACCOUNTS Audit
			Report and satisfaction of unsettled
			charges and after submission of the annual
			financial status report to the federal

4	2000-25		TRANSFER to the RECORDS CENTER two (2) years after the end of the calendar year,
		County or city heath departments and other entities can receive grants from the Immunization Program to purchase	after receipt of STATE BOARD OF ACCOUNTS
		items to use in immunization activities. Grant areas are	Audit Report and satisfaction of unsettled
		sometimes referred to as "pockets of need". Typical files	charges, and after submission of the annual
		may contain statistics, reports, memos, graphs, budgets and	financial report to the federal CENTERS FOR
		other fiscal data, contracts and supporting documents and	DISEASE CONTROL AND PREVENTION. TRANSFER to
		extensive miscellaneous correspondence. Records arrangement	the INDIANA ARCHIVES, for EVALUATION,
		is primarily alphabetical by grantee and then by calendar	SAMPLING, or WEEDING pursuant to archival
		year. Retention based on IC 34-13-1-1, (2004 Edition)	principles after an additional eight (8)
		year. Recention based on ie 31 13 1 1, (2001 Edition)	years in the RECORDS CENTER. TOTAL
			RETENTION prior to TRANSFER to the INDIANA
			ARCHIVES: Ten (10) years after the end of
			the calendar year, after receipt of STATE
			BOARD OF ACCOUNTS Audit Report and
			satisfaction of unsettled charges, and
			after submission of the annual financial
			report to the federal CENTERS FOR DISEASE
			CONTROL AND PREVENTION.

5 2000-30	PERINATAL HEPATITIS B PROGRAM RECORDS	DESTROY negative case results paper records
	A public health provider completes State Form 45057,	after review completion. TRANSFER positive
	Perinatal Heaptitis B Screen, and submits the results to	case results paper records to the RECORDS
	the State Department of Health's laboratory, the office of	CENTER one (1) calendar year after closure
	record. A photocopy of this form is submitted to the	of the case. DESTROY paper records after an
	Immunization Program. Private health providers submit	additional forty-nine (49) years in the
	testing results directly to the Immunization Program.	RECORDS CENTER. TOTAL RETENTION of positive
	Positive test results are entered into Division computers.	case paper records: Fifty (50) years after
	Data can be retrieved by the case identification number or	the end of the calendar year after closure
		_
	the patient name. High-risk negative results are	of the case.
	followed-up with correspondence and positive cases are	
	tracked until closure. This record is used to track	
	high-risk mothers and to identify infants needing	
	vaccination. These significant medical records of infants	
	can have long-term effects not oney on these infants but on	
	the parent(s) and/or other children. The State Department	
	of Health is the sole source of the entire record.	
	Information can be changed or deleted. The federal Centers	
	for Disease Control and Prevention had provided the	
	software via a federal grant. However, as of June 30, 1999,	
	the federal entity had discontinued furnishing hardware and	
	software support. Disclosure of these records may be	
	subject to IC 16-41-8-1, (2004 Edition to 2009 Indiana	
	General Assembly)	
6 2000-31	COMMUNICABLE DISEASE INVESTIGATION REPORTS	TRANSFER to the RECORDS CENTER two (2)
	Comparable to communicable disease reports in the Chronic	years after the reporting year. DESTROY
	Disease Division, the Immunization Program also	after an additional five (5) years in the
	investigates reports of cases of people with communicable	RECORDS CENTER. TOTAL RETENTION: Seven (7)
	diseases. Typical examples could be Rubella Case	years after the reporting year.
	Investigation Form, previously State Form 23549, and a	
	State Department of Health form, Pertussis Case	
	Investigation Form. Disclosure of these records may be	
	subject to IC 16-41-8-1, (2004 Edition to 2009 Indiana	
	General Assembly) Retention consistent with IC 16-39-7-1,	
	(2004 Edition and 2009 Indiana General Assembly)	
7 2009-36	CHILDREN AND HOOSIER IMMUNIZATION REGISTRY PROGRAM (CHIRP)	SCAN paper records according to IARA
	Pursuant to IC 16-38-5-1, 2004 Edition, (a) The state	imaging standards after password assignment
	department [of Health] may develop and maintain an	and information has been entered into the
	immunization registry to collect, store, analyze, release,	database. TRANSFER paper records to the
	and report immunization data. The record is maintained	RECORDS CENTER three (3) years after the
	electronically after data entry. The State Department of	end of the calendar year and after receipt
	Health's Immunization Program has extensive written	of STATE BOARD OF ACCOUNTS Audit Report and
	agreements with health providers, schools, and licensed day	satisfaction of unsettled charges after
	care centers. Extensive state forms are used in	verification of the scanned images for
	administering this program. These would include the	completeness and legibility. DESTROY after
	Individual User Agreement, State Form Number 52303, the	an additional seven (7) calendar years in
	Provier Site Enrollment Agreement; State Form Number 52306,	the RECORDS CENTER. TOTAL RETENTION OF
	and other State Department of Health State Forms.	PAPER RECORDS: Ten (10) years after the end
	Disclosure of these records may be subject to IC 16-38-5-2	of the calendar year and after receipt of

8 2009-37

VACCINE FOR CHILDREN

This record series includes the Immunization Provider Enrollment Request, State Form Number 54048, and the Indiana Vaccines for Children Provider Agreement, State Form Number 52697; and the Vaccines for Children Order Form, State Form Number 52775. Records are scanned to provide ease of retrieval and a time factor to search paper records. Information provided by the State Department of Health advised the software used in this program and record does not permit any deletion of data placed in the system. Retention based on IC 34-13-1-1, (2004 Edition)

SCAN paper records according to IARA imaging standards after the order has been filled. TRANSFER paper records to the RECORDS CENTER three (3) years after the end of the calendar year and after receipt of STATE BOARD OF ACCOUNTS Audit Report and satisfaction of unsettled charges and after verification of the scanned images for completeness and legibility. DESTROY paper records ten (10) years after the end of the calendar year. TOTAL RETENTION of paper records: Ten (10) years after the end of the calendar year and after receipt of STATE BOARD OF ACCOUNTS Audit Report and satisfaction of unsettled charges. DELETE scanned images five (5) years after the end of the calendar year.
